getting your business moving

Get professionally designed marketing collateral for your business at a special low price.

Choose the right combination for your requirements all at a price to suit your budget and we'll design and supply the finished items. The price includes all artwork, printing costs and VAT at the current rate and there are no nasty hidden extras.

We've put together these specially priced materials* specifically to help small and growing businesses and you can make more savings with our combo discounts - order any two items and get a 5% discount, any three gets you a 10% discount.

If you really want to push the boat out, as an experienced marketing and design agency we offer a full range of creative services including advertising, e-marketing and display graphics. You can find examples of our work on our website www.edgeagency.co.uk

If you'd like to know more please call us now for a no-obligation chat about how to give your business a KickStart.
